

DESTINATION PARMO

The Parmo or Teesside Parmesan is a breaded meat dish originating in Middlesbrough.

Our menu pays homage to the original recipe, yet we have expanded it to create exciting new flavours, inspired by world cuisine.

All of our Parmos are made with fresh ingredients and come served with chips and salad.

All Parmos are available in small, medium and large. If you can't make up your mind on what to try, we have created a Parmo Platter.

Travel around the world with us, choose a destination and pick your parmo!
